In the matter of determination of Annual Tariff for First, Second, Third and Fourth Tariff Years of the First Control Period in respect of Bird Worldwide Flight Services (India) Private Limited for providing Additional Services of ground handling at IGI Airport, New Delhi.

The Authority had considered the Multi Year Proposal (MYTP) for the first control period (i.e. 2011-12 to 2015-16) submitted by M/s Bird Worldwide Flight Services (India) Private Limited (BWFS) in respect of the tariff for the services provided for ground handling at IGI Airport, New Delhi and after due stakeholder Consultation issued Multi Year Tariff Order (MYTO) No. 25/2011-12 dated 28.10.2011, ordering that the ground handling services provided by BWFS is "material but competitive" and tariffs for the same shall be determined under a "light touch approach".

2.1 Further, the Authority vide Order No. 47/2012-13 dated 12.03.2013, determined the tariff for the first tariff year (w.e.f. 01.04.2011 to 31.03.2012), second tariff year (w.e.f. 01.04.2012 to 31.03.2013), third tariff year (w.e.f. 01.04.2013 to 31.03.2014) and fourth tariff year (w.e.f. 01.04.2014 to 31.03.2015), of the first five year control period for rendering ground handling services by BWFS at IGI Airport, New Delhi.

It was also ordered in the said order no. 47/2012-13 that BWFS will maintain a separate account for revenue from these additional tariff items and after final determination of these charges by the Authority, BWFS will have to undertake consequential refund action, if any, based on the rates which may be finally determined post stakeholder consultation in the matter of the additional services.

3. In response to the proposal contained in the said Consultation Paper No. 45/2012-13, no comments have been received from any stakeholder.

4.1 In the Tariff Proposal for these Additional services, BWFS had also mentioned that:

- (i) Above rates are excluding Services and other Taxes as may be applicable from time to time.
- (ii) In case there is any additional levy by Airport Operate, AAI or any regulatory body, the same will be charged over and above the rates given above.”

4.2 It is noted that the tariffs determined by the Authority are maximum tariffs that the service provider may charge from the service users and the same cannot be increased on suo moto basis by the service provider. Hence, in case there is revision in any component of the tariff to be charged to the services users, BWFS will have to get the same determined by the Authority under section 13 (1) (a) of the AERA Act, 2008.
