Dear Sir,

This has reference to the subject CP published by the Authority, in the matter of determination of aeronautical tariff for NMIAL for the FCP.

At the outset, NMIAL would like to appreciate the hard work put in by the Authority while conducting the due diligence of Multi Year Tariff Proposal (MYTP) submitted by NMIAL for the FCP and releasing the CP in a timebound manner.

NMIAL would be submitting detailed responses w.r.t the proposals put forth by the Authority in the CP as part of the stakeholder's consultation process within the stipulated period. NMIAL requests Authority to kindly consider submissions/responses while finalizing the Aggregate Revenue Requirement (ARR) for the FCP and provide NMIAL an opportunity to revise the Tariff Rate Card, prior to issuing the tariff order based on the final decision of the Authority.

After detailed planning, with the vision to transform Mumbai Metropolitan Region, we hereby submit Tariff Rate Card for NMIAL considering the following underlying factors:

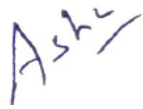

- The effective date for implementation of the Tariff Rate Card has been considered as 1st July 2026.
- While setting the tariff, complying with Section 13 of the AERA Act, it is essential for AERA to ensure the economic and viable operations of the airport.

- The proposed Tariff Rate Card (refer Annexure A) is derived based on traffic as proposed in the CP.

We would be pleased to provide clarification and information in this regard, if any.
