Sub: Consultation Paper No.05/2018-19 of AERA

Ref: Your letter dated 17th May 2018

Dear Madam,

In pursuance to your letter above, we are providing our comment in respect to the Consultation Paper of BIAL for 2nd Control Period. Bharat Stars Services Pvt Ltd (BSSPL) provides Into Plane Fuelling services to the airlines that operate out of KIA airport.

The growth in passenger traffic at BIAL has been very high, therefore our company, as a ITP service provider is currently undertaking the following measures to enhance its throughput:

1. Purchase of additional fuellers and dispensers
2. Addition of manpower to handle increased flights

We would make a humble submission to AERA that their capacity is nearing saturation and there is urgent capacity expansion requirement. AERA should consider allowing BIAL to continue the existing tariff as a cash flow mechanism to help fund the expansion.

We request you to kindly consider our comments and submissions.

Thanking you

For Bharat Stars Services Pvt Ltd
