Subject: In the matter of determination of Tariffs for Aeronautical Services in respect of Cochin International Airport, Cochin for the second control period (01.04.2016 – 31.03.2021)

Madam,

This has reference to the Consultation Paper number 06/2017-18 dated 12<sup>th</sup> May, 2017 (Addendum) seeking our comments on the subject Tariff proposal.

Existing Fuel Throughput charges at Cochin International Airport are Rs. 209.02 per KL. M/s CIAL has proposed the revision in charges as below:

Period	Fuel Throughput charges (Rs per KL)
01.07.2017 – 31.03.2018	936.53
01.04.2018 – 31.03.2019	976.58
01.04.2019 – 31.03.2020	1018.62
01.04.2020 – 31.03.2021	1062.75

It is observed that, substantial increase in the Throughput charges is proposed as compared to existing charges. We request AERA to review the proposed increase in Throughput charges as the increase appears to be steep.

We further request that any revision in Fuel Throughput charges should be approved on prospective basis only.

Thanking you,

Very truly yours,

S.S. Bramhe  
Deputy General Manager  
Aviation (Operations)
