Sub: Your Consultation Paper No.05/2011-12 on Multi Year Tariff Proposal for 1st Control Period submitted by Cargo Service Centre India Private Limited for providing Cargo handling services at Perishable Cargo Terminal, CSI Airport, Mumbai

Dear Sir,

This has reference to the Consultation Paper No.05/2011-12 on the multi-year tariff proposal submitted by Cargo Service Center India Pvt Ltd (CSC India) with regard to their handling service at Perishable Cargo Terminal, at Mumbai airport.

I have gone through the said document and hereby confirm that my company has no objection to the proposed tariff submitted by CSC India. The said tariff proposal was discussed by CSC India with the Trade and the Shippers before it was finalized by them.

I would also like to certify that the service offered by CSC at the said terminal is very commendable and there are no hidden charges to be paid while our cargo is processed.

The proposed charges provided by CSC are aligned to market demands and are competitive for the services rendered for temperature control shipments. Further there are no hidden charges to be paid by the trade.

For the sake of understanding, I would like to inform that my company has been moving substantial cargo of Perishable and Temperature Sensitive Products from Mumbai airport, from quite some time now.

Sincerely,

Prabhakar Nairi
Managing Director

Sub : Consultation paper on Tariff proposal of Cargo Service Center for Perishable Cargo Terminal at Mumbai

Dear Sir,

We request you to please clarify on the proposed tariff structure of CSC regarding their Perishable cargo terminal at Mumbai and as posted on the AERA website.

Please refer Row 1 and 2 of the Schedule of Charges for TSP charges, under the remark column, the statement "Free period shall be one working day (24 hrs) for examination....."

Please clarify whether the free period means no TSP charges are to be paid if cargo is cleared within 24 hrs or whether it pertains to demurrage charges for which charges are mentioned in Row 3.

In all other terminals, TSP is paid irrespective of free period and demurrage is levied after the free period is over.

Thanking you,

Sincerely,
