Subject: Multi Year Tariff Proposal for 1st Control Period submitted by Cargo Service Centre India Private Limited (CSC) for providing Cargo handling services at Perishable Cargo Terminal, CSI Airport, Mumbai

Reference: Consultation Paper No. 05/2011-12 dated 3rd June 2011

Sir,

With reference to the above mentioned Consultation Paper, Mumbai International Airport Pvt. Ltd. (MIAL) submits that the Perishable Cargo Terminal at CSI Airport has provided the much needed perishable cargo facilities in addition to the existing facilities at the Cargo Terminal Complex for handling the increasing volumes of cargo at CSI Airport. CSC has developed this state-of-the-art facility, which requires adequate tariff to maintain and manage it efficiently. Accordingly, the following comments are submitted for consideration of the Authority on this Consultation Paper:

1. MIAL appreciates and supports Authority's decision to adopt "Light Touch Approach" for tariff determination for the first Control Period for the services provided by Cargo Service Centre (CSC) at Perishable Cargo Terminal, CSI Airport, Mumbai in view of the fact that the services at CSI Airport are material and competitive.
2. MIAL is also in agreement with the proposal of the Authority to approve the Annual Tariff Proposal for 2011-12 filed by CSC for its economic and viable operation as it has not been able to charge since 16.05.2011.

www.csia.in

3. The charges/costs, if any, mandated/imposed by Customs Department on CSC for meeting the cost of customs officers etc. should be allowed to be recovered/passed through separately over and above the proposed tariffs.

4. The remark on free period of 24 hours referred to in 'Remarks' column of TSP charges for non-horticulture and horticulture products appears to be wrongly mentioned and may be deleted.

The comments submitted above are only with reference to the specific proposals given in the Consultation Paper for CSC.

Thanking You,

Yours Sincerely

For Mumbai International Airport Private Limited
