Shri. Sandeep Prakash,

Airport Economic Regulatory Authority of India

AERA Building, Administrative Complex,

Safdurjung Airport,

New Delhi-110 003

Sir,

Subject: Response to Consultation Paper No. 03/2011-12

We thank you for your DO letter no. AERA/20010/BSSPL/IGIA/2011-12/215 dated 28th April, 2011 seeking comments, views etc on the MYTP proposals submitted by BSSPL for the first Control Period commencing 01.04.2011 and Annual Tariff Proposal for the first year 2011-12 issued by AERA vide Consultation Paper No. 03/2011-12 dated 28th April, 2011.

The proposed tariff of BSSPL Delhi for 2010-11 with 5 % escalation for coming five years for Into-Plane Services at T-3 Delhi Airport appears to be reasonable. The same rate had been communicated to us by the Airport Operator before the commencement of service by the Service Provider.

However, our submission to Authority is that approval of any revision over the rate of 2010-11 of MYTP submitted by BSSPL Delhi for 2011-12 and onwards should be from prospective date.

Yours sincerely

for Bharat Petroleum Corporation Ltd
