October 04, 2011

Shri Sandeep Prakash,
Secretary,
Airports Economic Regulatory Authority of India,
AERA Building, Administrative Complex,
Safdarjung Airport,
New Delhi - 110 003.

Dear Sir,

Sub: **AAI comments / suggestions in respect of Consultation Paper No. 15/2011-12 dt. 27.08.2011.**

This has reference to the subject paper circulated by AERA under reference No. AFRA/20010/MYTP/DCSC-IGI/2011-12 dt. 27.08.2011 regarding Multi Year Tariff Proposal submitted by Delhi Cargo service Centre Private Limited for providing Cargo Handling Services at Greenfield Cargo Terminal, IGI Airport, New Delhi.

2. Consultation PAPER has been examined and comments / suggestions on para 16 are appended below:-

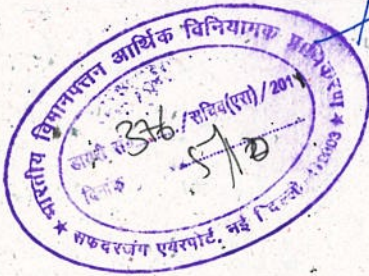

- As per Article 12.2. of OMDA "Charges for Non-Aeronautical Services - subject to Applicable Law, the JVC shall be free to fix charge for Non-Aeronautical Services, subject to the provisions of the existing contracts and other agreements".
- It has been noticed that charges proposed by DCSC under its Annual Tariff Plan appears to be on higher side in comparison to the charges levied by AAI for the same services at its model Airports i.e. Chennai & Kolkata Airports.
- Other charges in addition to handling charges such as security charges, DGR acceptance fee, Live Animal Export acceptance charges, dry ice check list etc. have also been proposed by M/s CSC which need to be examined by AERA viz-a-viz facilities provided by M/s CSC, since these additional charges are not being levied by AAI at its airports.
- AERA while according the approval may take care of these reservations in totality based on the investment and returns thereof.

Thanking you,

Yours faithfully,

(P.K. Ratti)

Actg. Executive Director (Cargo)
