Safdarjung Airport,

New Delhi - 110 003.

Sub: - Consultation Paper No. 2/2015-16 dated 7th April, 2015 (CP) , for Multi Year Tariff Proposal (MYTP) and Annual Tariff Proposal (ATP) for the 5th Tariff Year in respect of Concor Air Limited (CAL) for providing International Cargo Handling services at CSI Airport, Mumbai

Ref: Consultation Paper No. 2/2015-16 dated 7th April, 2015

Sir,

This is with reference to the Consultation Paper for Multi Year Tariff Proposal (MYTP) and Annual Tariff Proposal (ATP) in respect of Concor Air Limited (CAL) for providing International Cargo Handling services at CSI Airport, Mumbai.

Following are our comments on the proposed Consultation paper for your kind consideration.

1. We take this opportunity to convey our appreciation for improvement of service levels by CAL/MIAL at CSIA in the last few years. As Mumbai airport has various limitations of space, bringing about improvement in service levels and efficiency by reduction in dwell time is indeed laudable.
2. We do hope that the service levels and efficiency will be maintained for which they have sought a revision in their tariff which appears to be reasonable considering that the tariff has not been increased for some time now. Considering maintaining service levels is of paramount importance, their request for revision in tariff for ensuring viable operations appears to be justified.

Hence we have no objection to the Annual Tariff Proposal (ATP) filed by CAL/MIAL for international cargo facility services for CSIA, Mumbai.
