Subject: In the matter of Multi Year Tariff Proposal and Annual Tariff Proposal for the remaining years of 1st Control Period in respect of Bharat Stars Services Private Limited for providing Into Plane Services at Chhatrapati Shivaji International Airport (CSIA), Mumbai.

Reference: your letter dated 9th April, 2015, D.O. No. AERA / 20010 / MYTP / BSSPL / ITP / Mum / 2014-15 / 7571 and Consultation Paper No. 03/2015-16 dated 7th April 2015.

Dear Sir,

We would like to thank the Authority for issuing the abovementioned Consultation Paper and giving us an opportunity to give our comments on the same. In this connection our submission is as under:

The selection of Bharat Stars Services Private Limited (BSSPL), which provides the Into Plane (ITP) Service at CSI Airport, was done by way of competitive bidding through public tender, hence the Proposal of AERA to adopt "Light Touch Approach" for determination of tariff for the 1st Control period (2011-2016) is reasonable and we are in agreement with the same.

Thanking you

Yours Sincerely,

For Mumbai Aviation Fuel Farm Facility Pvt. Ltd.
