Subject: To consider the multi year tariff proposal and annual tariff proposal (T1 to T5) for the second control period in respect of M/s Indian Oil Skytanking Private Limited (IOSL) for providing Into Plane Services at CSI Airport, Mumbai.

Dear Sir,

This has reference to the addendum for Consultation Paper number 01/2017-18 dated 9th October, 2017 seeking our comments on the subject Tariff proposal.

AERA has proposed 22% increase in existing tariff for 2017-18 and further 10% increase for 2018-19. It may be noted that Into Plane charges are pass through item and in the absence of any approval by AERA we are charging existing rates to our customers. Any revision from retrospective basis would make it difficult for us to recover the amount from our customers resulting in financial loss to us.

We shall abide by the decision taken by AERA. However any revision in **Fuel Throughput charges should be approved on prospective basis only.**

Thanking you,

Very truly yours,

Rajendra Thikekar
Deputy General Manager-Aviation
