Subject: Annual Tariff Proposals of 2nd control period In respect of M/s Bharat Stars Services (Delhi) Private Limited for Providing Into Plane Services at Indira Gandhi International Airport, New Delhi.

Madam,

We write with reference to Consultation Paper No. 10/2018-19 on above subject and give our viewpoints as below.

1. In line with current ITP Service charges at IGIA, Delhi Airport, wherein the prevailing rates are same for all the operating Into Plane Agencies , we are of the opinion that the tariff approved by AERA should be same for all ITP agencies as the competing criteria is the service standards.
2. Differential price for ITP Service charges may lead to a situation where in the ITP agency with higher tariff may tend to lose business resulting in loss of revenues thereby impacting their operational efficiencies & service standards.
3. Approved rates should be on prospective basis only.

We sincerely regret that our response is being submitted beyond the given timeline.

Thanking you and assuring of our best cooperation at all times.

Yours Faithfully,

For Bharat Petroleum Corporation Limited
