Dear Sir,

In reference to your discussion with Mr. Laxman Prasad, in regards to the Tariff for Ground Handling Services at Manohar International airport, MOPA GOA for Celebi Airport Services India Pvt Ltd. please find below email for requesting to reduce our tariff rates for International Non Schedule & General Aviation ground handling services. The revised tariffs were attached along with the Stakeholder Consultation Presentation and meeting minutes.

Do let us know in case of any concern on the same.

Thanks and regards,
